BIBLIOGRAPHY OF BRITISH AND IRISH HISTORY (BBIH)

The Bibliography of British and Irish History is an essential resource for anyone interested in the history of Britain and Ireland, or the British World. (...) No student, lecturer or researcher should be without the wonderful BBIH.

Professor Sir David Cannadine, Dodge Professor of History, Princeton University, and President of the British Academy.

Global reach

The Bibliography of British and Irish History provides extensive coverage of scholarly content relating to Britain, Ireland, the British empire and Commonwealth and the British world.

Given the global reach of British and Irish history, the Bibliography provides extensive coverage of scholarly content relating to Britain, Ireland, the British empire and Commonwealth and the British world.

An invaluable research tool for Eighteenth-Century Studies

A large number (188,895, or nearly a third) of bibliographic records in the BBIH cover publications relating to the long eighteenth century (1688-1815) in all its aspects.

The multidisciplinary database encompasses a broad spectrum of subjects, ranging from religious history through to philosophy, science and the arts; and from military and political history to social and gender studies.

2. The search results can be ranked according to author, title, or year of publication. The database supports several export formats. Set up email alerts to stay up to date with new research.

3. The bibliographic records contain a wealth of details about publications on the subject. They also provide links to online catalogues to help you find the publications in research libraries in Britain and Ireland, and provide links to the full text where available.
A metrics component enables you to examine in detail trends in British and Irish history, see journal profiles and authors’ publication profiles, and to identify the 50 most active authors and journals in your field of research.
