# Researching environmental histories in the Bibliography of British and Irish History (BBIH) Thursday 9 March 2023

BIBLIOGRAPHY OF BRITISH AND IRISH HISTORY

Began 1909

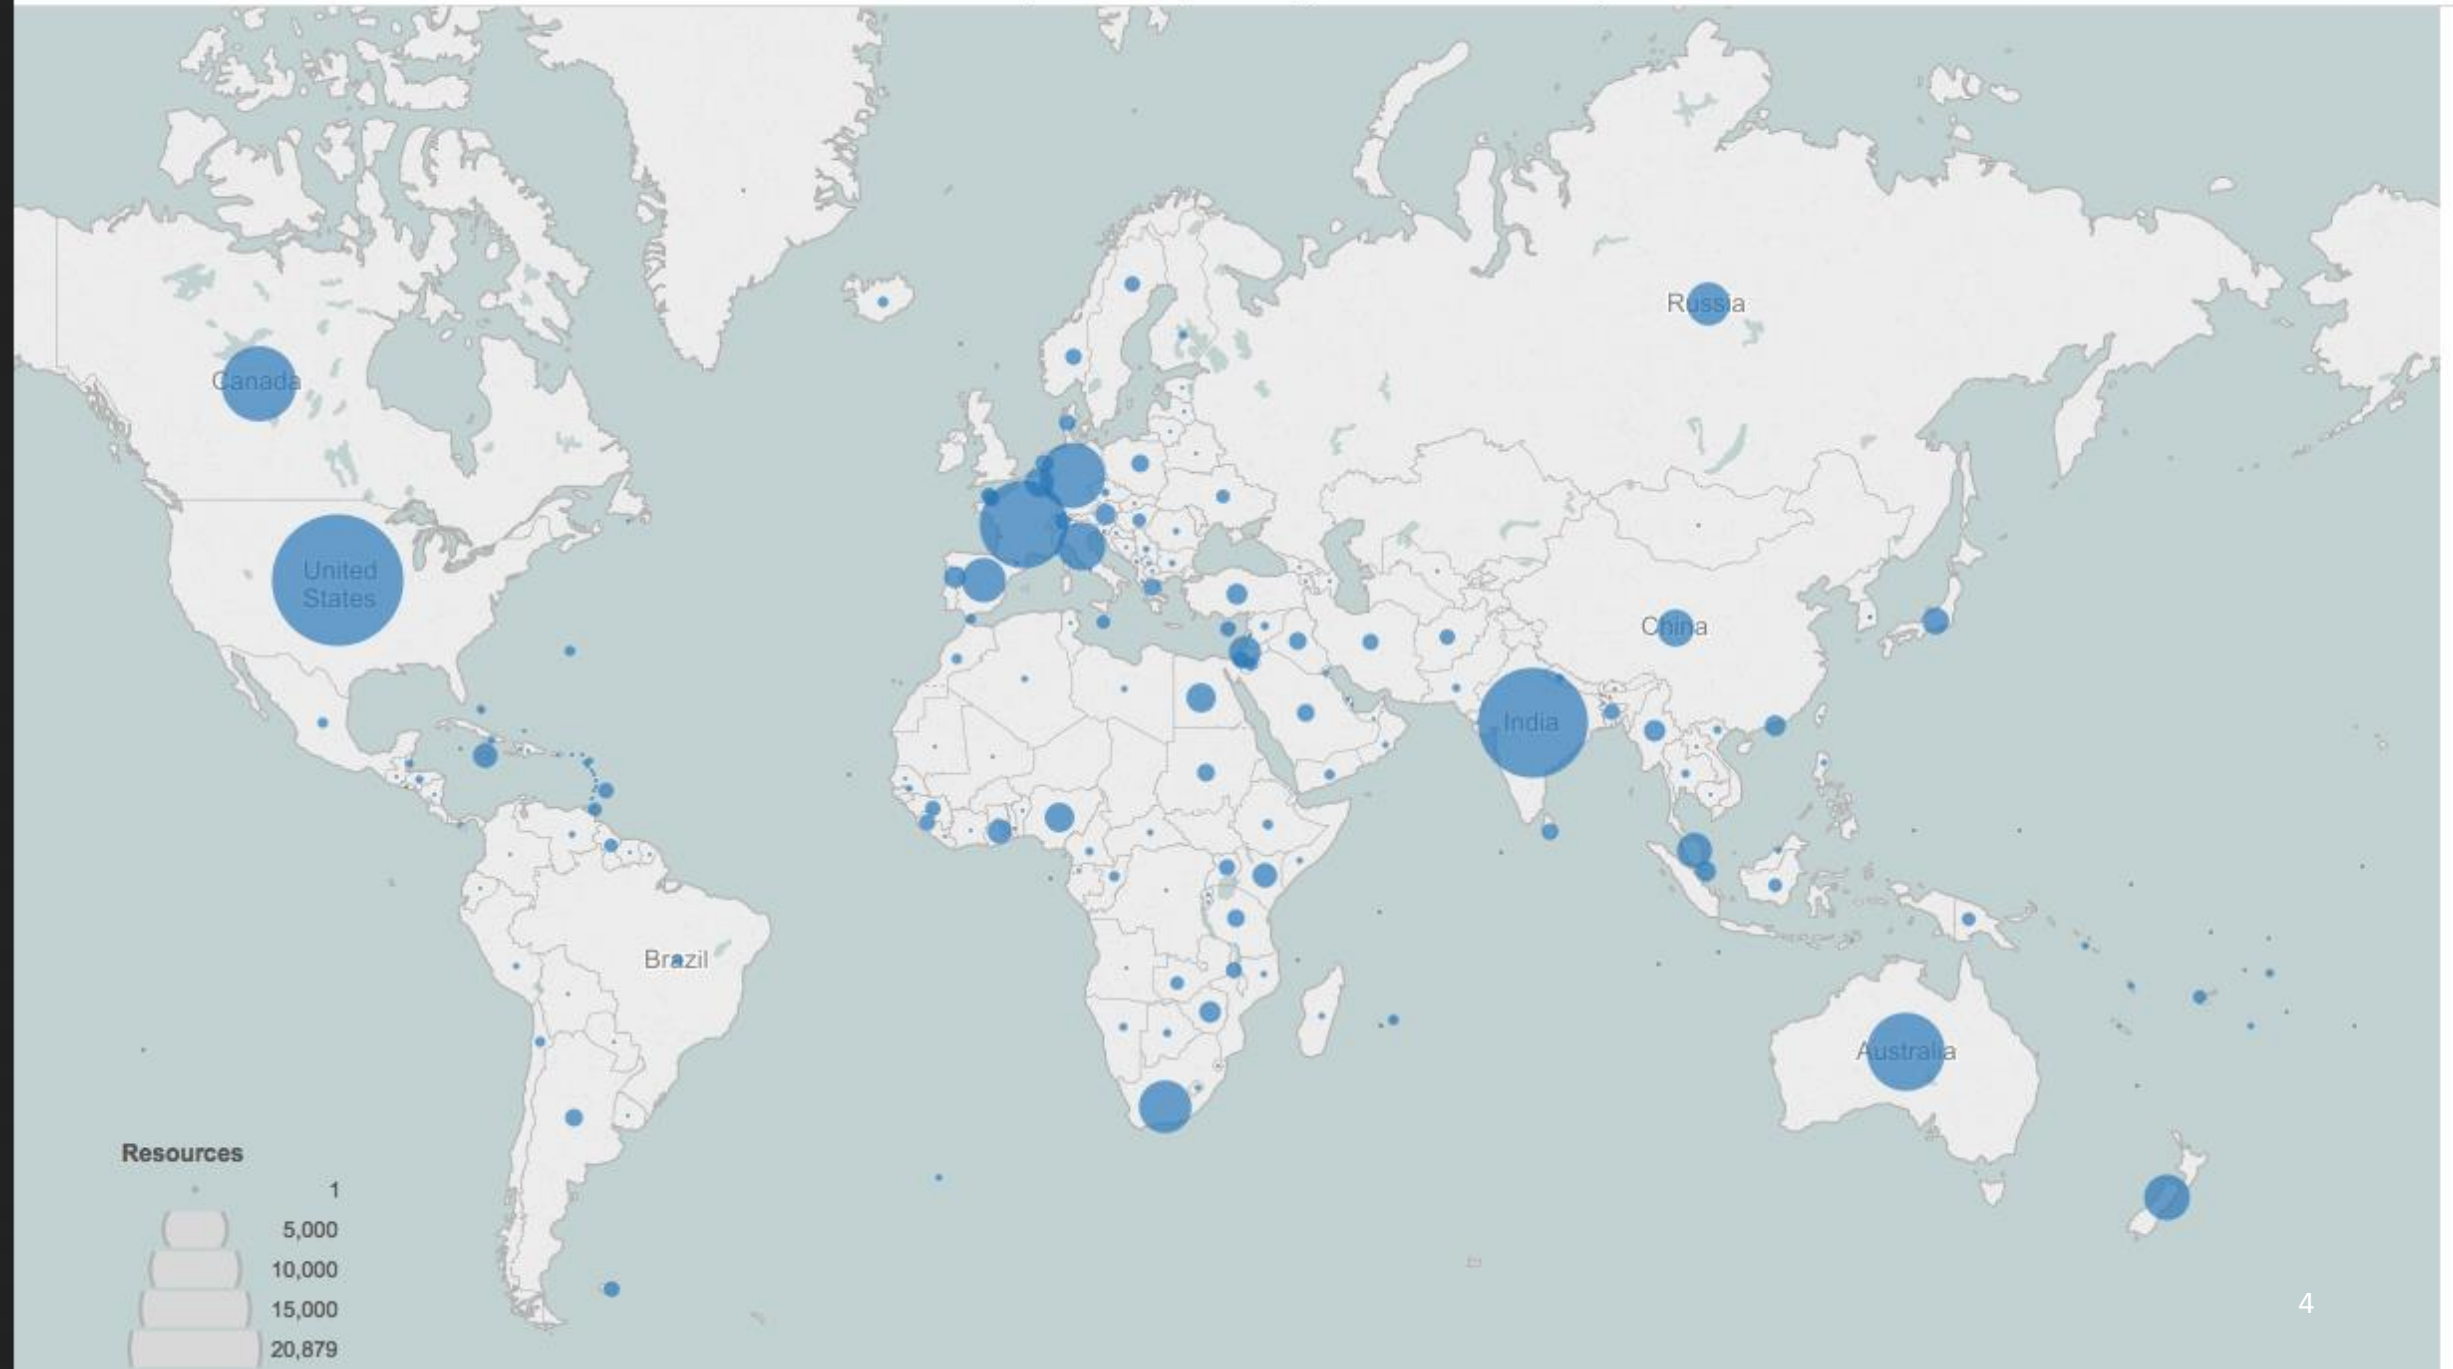

A database of over 640,000 references to:

- **Local histories** – covering British and Irish history from 55 BCE to the present.
- **Global histories** – covering Britain's relations overseas including the British Empire (as well as the American Colonies), and the Commonwealth

**Irish History Online:** <https://www.ria.ie/irish-history-online>

Resources by country (omitting Britain and Ireland)

BIBLIOGRAPHY OF BRITISH AND IRISH HISTORY

BBIH includes bibliographic information on:

- **Books**
- **Journal articles** and **reviews** from over 800 regularly searched journals
- **Chapters from collective volumes**, including Festschriften and conference proceedings
- **History PhD theses** submitted late 1990s-present

Updated 3 times per year.

An illustration of a library interior. In the foreground, a person with red hair and glasses is sitting at a desk, reading a book. A laptop is open on the desk next to them. Behind them are tall bookshelves filled with books of various colors. A globe is on one of the shelves. To the left, there are more bookshelves with books and a small plant. The overall style is a flat, colorful illustration.

### Surroundings: A History of Environments and Environmentalisms

Etienne S. Benson

University of Chicago Press, 15 May 2020 - Science - 284 pages

★★★★★

0 Reviews ⓘ

Given the ubiquity of environmental rhetoric in the modern world, it's easy to think that the meaning of the terms *environment* and *environmentalism* are and always have been self-evident. But in *Surroundings*, we learn that the environmental past is much more complex than it seems at first glance. In this wide-ranging history of the concept, Etienne S. Benson uncovers the diversity of forms that environmentalism
